## How It Works

- Schedule a pickup time that fits your schedule
- Our licensed driver collects your vehicle from your specified location
- We handle all services: inspection, documentation, payments, and processing
- Your vehicle is returned to you with all paperwork completed
- You receive digital copies of all documents and receipts

**Save time. Avoid stress. Focus on what matters while we handle everything for you.**

This service is particularly valuable for busy professionals, corporate fleet managers, and anyone who wants to avoid the time-consuming process of visiting multiple government offices and service centers.

# Important Pricing Information

## Transparent Pricing

### No Hidden Costs

We believe in complete transparency. All our prices are clearly stated, and we explain any additional fees before proceeding with service.

## What You Need to Know

- **Service Charges Apply Separately:** Each service listed has its own fee structure. If you require multiple services, charges are calculated individually to ensure fair and accurate billing.
- **Government & Third-Party Fees:** The prices shown reflect our professional service charges only. Additional government fees, inspection costs, insurance premiums, or third-party charges may apply depending on your specific vehicle and service requirements.
- **Vehicle-Dependent Costs:** Services like insurance and certain registrations vary based on vehicle type, age, value, and coverage requirements. We provide detailed quotes before proceeding.
- **Complete Disclosure:** Before starting any service, we provide a comprehensive breakdown of all expected costs, including our service fee and any estimated government or third-party charges.

Our commitment is to provide professional, efficient service with complete financial transparency, ensuring you know exactly what to expect at every step of the process.
