About Us

Mr. Mujahid — Simplifying Life Across the UAE

Mr. Mujahid is a UAE-based multi-services company headquartered in **Ajman**, proudly serving individuals, families, and SMEs across all seven Emirates. Our mission is simple: to make life easier by delivering trustworthy, affordable, and comprehensive services under one unified brand.

From navigating complex government procedures to building your digital presence, tailoring your corporate uniforms to automating your home – we handle it all so you can focus on what matters most.

With over **1,000+ satisfied clients** and a team of seasoned professionals, we are built on three unshakeable pillars: **quality, honesty, and long-term relationships**. We don't just complete tasks – we become your trusted partner for years to come.

Painting & Carpentry

Interior & exterior painting, furniture assembly, custom carpentry, masonry repairs & false ceiling work.

 Annual Maintenance Contracts (AMC) available – one fixed fee for unlimited peace of mind throughout the year.

Services 6, 7

Digital Marketing & Web / App Development

Digital Marketing

We don't just market – we **grow your business**. Our data-driven digital marketing strategies put your brand in front of the right audience at the right time, generating real leads that convert into real revenue.

- **SEO & Google Ads** – Rank on Page 1 of Google and dominate local search results across UAE cities.
- **Social Media Management** – Instagram, Facebook & LinkedIn content, community management & paid campaigns.
- **Content Creation & Branding** – Professional visuals, copywriting, brand identity & graphic design.
- **Lead Generation Campaigns** – Targeted funnels designed to bring qualified prospects to your business every day.

Web, App & Portal Development

Transform your idea into a powerful digital reality. Whether you need a stunning website, a feature-rich mobile app, or a complex enterprise solution, our development team delivers fast, secure, and scalable results.

- **Business Websites & E-Commerce Stores** – SEO-friendly, mobile-responsive & conversion-optimized.
- **Custom Portals, ERP & CRM** – Automate operations, manage clients & streamline workflows.
- **Android & iOS Mobile Apps** – Native and cross-platform apps built to your specifications.
- **Fast, Secure & Scalable** – Built on modern tech stacks with ongoing maintenance & support.

CCTV Installation & Office Networking

HD & IP CCTV Systems

High-definition, IP, and wireless CCTV installations for villas, offices, retail shops, and warehouses. Remote mobile viewing, cloud storage, and 24/7 recording with motion alerts.

Maintenance & AMC

Ongoing camera maintenance, annual contracts, and system upgrades ensure your security infrastructure stays reliable and up to date at all times.

Structured Cabling & WiFi

Professional network infrastructure design and installation for offices of all sizes – Cat6 cabling, wireless access points, and seamless connectivity across floors.

Servers, PABX & Access Control

Server setup, firewall configuration, data security solutions, PABX telephone systems, biometric access control, and door management systems for complete office IT security.

Home Automation — Make Life Smarter

Step into the future of comfortable living. **Mr. Mujahid's Home Automation** solutions transform ordinary homes and offices into intelligent environments – controlled by a single tap on your smartphone or the sound of your voice. Available across all UAE Emirates.

1

Smart Lighting & Curtains

Automated lighting scenes, motorized curtains, and mood-based ambiance control – all programmable and voice-activated.

2

Climate & AC Control

Smart thermostats and AC scheduling that learn your preferences and save energy – control temperature from anywhere in the world.

3

Smart Security

Smart door locks, video doorbells, and integrated alarm systems – monitor and secure your home remotely with real-time alerts.

4

One-Touch Control

Alexa & Google Home integration with a custom mobile app – control every device in your home from a single intuitive dashboard.

Why Choose Us

The Mr. Mujahid Advantage

Thousands of UAE residents and businesses choose Mr. Mujahid not just for our services – but for the **experience, trust, and reliability** we bring to every interaction. Here's what sets us apart from the rest.

One Roof Solution

No need to run to 10 different companies. From visas to websites, uniforms to home automation – we handle it all under one brand with full accountability and zero handoff confusion.

UAE Expertise

We know local laws, government processes, market dynamics, and regulatory requirements across all Emirates – ensuring every job is done right the first time, every time.

Transparent Pricing

No hidden charges, no surprise invoices. We provide clear, affordable pricing upfront with flexible packages designed for individual budgets and SME needs.

Fast & 24/7 Support

On-time delivery is our promise. Our dedicated team is reachable via WhatsApp 24/7 for updates, queries, and urgent requests – because your time matters.
